

PATHWAYS TO SUCCESS

The **Health Informatics** Program offers several options to help you reach your goals.

Pathfinder Certificates

- Can be earned by completing just a few classes
- Quickly provide you with the skills employers are looking for
- Can help you find a job while completing your two-year degree
- Can be built on to help you complete a longer term program

One Year Certificates

Take the next step on your career path. All of the classes that you take to complete your Pathfinder Certificate count towards your One-Year Certificate.

AAS Degree

After completing the One Year Certificate, it can take as little as one more year to complete the two-year degree (AAS).

For more information, explore the links on this Roadmap.

GETTING STARTED

Everything you need to get started at UCC

High School students! You can work toward this certification before you graduate. **Find out which classes are available at your High School.**
