

UCC CAREER PATHWAYS Computer Information Systems

Oregon Skill Set: Arts, Information and Communications

PROGRAM INFORMATION

The [Computer Information Systems](#) Program at UCC offers several options to help you reach your goals.

Career Pathway Certificates

- Can be earned by taking just a few classes
- Quickly provide you with the skills employers are looking for
- Can help you find a job while completing your two-year degree
- Can be built on to help you complete a longer term program
- **Can earn these credits while you are still in high school**

One Year Certificates

Take the next step on your career path. All of the classes that you take to complete your Pathfinder Certificate count towards your One-Year Certificate.

AAS Degree

After completing the One Year Certificate it can take as little as one more year to complete the two-year degree (AAS).

For more information, explore the links on this Roadmap
