ONE-YEAR CERTIFICATE OF COMPLETION

Requirements for this certificate will be reviewed during the 2014-2015 academic year. This review may result in significant changes or termination of the certificate in 2015-16. Please consult your academic advisor or the Nursing and Health Occupations Department for current information on the future certificate status and impact on students.

Note: Scheduling requirements may prevent all courses from being offered every term. Consultation with an advisor is strongly recommended.

These courses include the EMT I & II, related technical courses and general education electives. Not all certificate classes will be offered every year. See quarterly class schedule for current offerings.

D = Dual Credit, College Now, Early College Credit
